7. Shanta Thoutam (Chief innovation officer of Telangana)

On 7th July 2023 Team NSDS INNOVATORS from DDMS P OBUL REDDY PUBLIC SCHOOL went to T-hub to showcase their idea to delegates of UNICEF and other Organizations.

The showcase was a mixture of winners from past 3years of SIC.

The team presented their Ideas to Thomas Davin ( director of UNICEF office of innovation Sweden) Terry Durnnian (Chief of education at UNICEF India) Hem Bohora (regional chief of infocomm technology Nepal) Fenn Hinse ( executive advisor of UNICEF China) Gibson Riungu (chief information comm technology India) Abhishek Gupta (chief operating officer-YuWaah India) and Shanta Thoutam (chief innovation officer of Telangana)

Meeting and experiencing T-Hub and T-work which are the largest prototyping centre of India, was an enriching as they gained so much knowledge. It was the best platform for young entrepreneurs to showcase their ideas and get valuable feedback from them.

The visit boosted their confidence and improved communication skills. They found that their presentation skills progressed remarkably.
