Anagha Arra, of Class VIII from DDMS P. Obul Reddy Public School, has a keen interest in writing poems, stories and creating various pieces of art. Poems have always been a way of expressing pent up emotions and feelings.

“Poems have always been an intuitive way for me to elaborate any topic, theme or subject and gives me a rush of adrenaline. I wish to continue these hobbies of mine and proudly one day call them my profession” –opines the little enthusiast.
