

AMS P. OBUL REDDY PUBLIC SCHOOL – A PROUD UNESCO ASPNET ACCREDITED INSTITUTION

DDMS (AMS) P. Obul Reddy Public School is proud to be a member of the UNESCO Associated Schools Network (ASPnet), a global network of educational institutions committed to promoting peace, sustainable development, intercultural understanding, global citizenship, and quality education.

As a UNESCO ASPnet accredited school, we provide students with opportunities to engage in meaningful learning experiences that extend beyond the classroom. Through participation in national and international projects, collaborative initiatives, and global awareness programs, students develop the knowledge, skills, values, and attitudes necessary to become responsible global citizens.

The successful inception and accreditation of UNESCO ASPnet at the school was envisioned and spearheaded by Ms. Deepika Sikha, Vice Principal, under the dynamic leadership and guidance of Ms. K. Vinitha, Principal. Their shared commitment to global education, sustainability, and student empowerment has strengthened the school's vision of nurturing future-ready learners with a global outlook.
