### **TECHNOLOGY COMPETITION CONDUCTED ON (28/06/23)**

An inter-house Technology competition was conducted for students of Classes IX & X on 28/06/23. The competition aimed to encourage and foster an interest in technology, innovation, problem-solving and critical thinking. It provided a platform for students to showcase their technological skills, creativity and ability to apply their knowledge in practical scenarios. It nurtured their potential and prepared them for the technological advancements and opportunities of the future.

**THEME: AN ELEVATOR PITCH**

An Audio Visual byte which is a quick synopsis of the background, experience, and purpose. The reason it's called an elevator pitch is that it is a short presentation during a brief elevator ride.

In this audio visual byte the child is aspiring to partake in an internship in a renowned organization. One day I accidentally met the Founder of the same company near an elevator. He/She gets an opportunity to describe about himself/herself in that one minute ride in any unique and creative manner (musical, dance etc.. )

#### **Judging**

- Judges Ms KRISHNA KUMARI K & Ms P NANCY NEWTON evaluated the overall impression of the pitch, considering factors such as the organization, coherence, and effectiveness of the message.
- It was assessed based on how the pitch left a lasting impression and if it had the potential to generate interest in others.

**SPELL BEE COMPETITION CONDUCTED ON (26/07/23)**

An inter-house Spell Bee competition was conducted for students of Classes IX & X on 26/07/23. The competition aimed to train the attentiveness of the children in listening to the words, spelling them accurately and encouraged participants to enhance their language skills, improved their memory, and developed their confidence in public speaking.

Prelims were conducted by the House incharges and four students (two from IX and two from X) were shortlisted from each house to move on to the main event.

The children were divided into four teams based on their houses.

The competition typically involved a series of rounds, each with increasing difficulty. In each round, a participant was given a word to spell aloud. As the rounds progressed, the words became more difficult, including complex words with intricate spellings, unusual pronunciation, and uncommon linguistic origins.

Ms PALLABI conducted the spell bee rounds and announced the winners based on their scores after four rounds. The top scoring team was announced as the winner and the following teams as runners up.
