INTER HOUSE WEALTH OUT WASTE COMPETITION ON 24 JULY, 2024

The "Wealth Out of Waste" competition was held on July 24, 2024 for grade 1 and grade 2 students. This initiative aimed to promote environmental awareness and creativity among young students by encouraging them to transform waste materials into useful or decorative items. The event provided an excellent platform for students to showcase their ingenuity and learn about the importance of recycling and sustainable practices.

Before the competition, students were given a brief overview of the event and were encouraged to collect and bring recyclable materials from home.

On the day of the competition, students brought the reusable and recycle materials like newspaper, shoe boxes, bangles, ice-cream stick's and much more.

It was amazing to see the students transforming scrap material into intricate artefacts, which ranged from decorative items to functional objects, made entirely out of waste materials.

The level of enthusiasm and creativity displayed by the students were remarkable.
