“PRACHEEN PARAMPARA”

HERITAGE CLUB NEWS LETTER September - (2016 - 17)

“Our rich and varied cultural heritage has a profound power to help build our nation.” - Nelson Mandela.

Our Heritage Club functions in order to make the children aware and proud of our rich and cultural heritage through various activities.

In - charge Teachers :- Mrs. C.Sree Jyothi , R Ranjani & Manisha Kaur.

Knowing our traces Week No 4 18/6/2016

. A person with out the knowledge of their past, origin and culture is like a tree with no roots. Children were asked to draw their family tree, wherein, they could trace their origin by knowing more about their great grandparents with their pictures. The children enjoyed doing this activity

Trace the regional tadka Week No 5 25/6/2016

The present generation of children have lost interest in relishing our regional and traditional delicacies. Hence, with this activity, we ensured that kids went back to their regional foods and prepared a chart accordingly and understood about the ingredients used and their health benefits.

Religious Diversity Week No 6 2/7/2016

India is known as the land of spirituality and philosophy, and is also the birth place of some religions, which exist even today in the world. We learnt about various religions followed in our country which are termed as “Dharmic Faiths” and also their influence on our life.

Exploring our mythology Week No 8, 9 & 10 16, 23 and 30/7/2016

To encourage children to know more about our mythology, they referred to books from our library and were then asked to perform a skit on any of the stories and also conducted a quiz on the same. Children enjoyed this activity and enthusiastically participated in it.

Lights, Camera and Action Week No 11 6/8/2016

We the students of Heritage club attended - **Film It** work shop on 6th August 2015 conducted by INTACH. This work shop was organized to bring awareness among students for both conservation and preservation of our city's natural and cultural heritage and the better way to do this is through the medium of films. In this work shop experts shared their technical expertise on film making.

Poster making on endangered species. Week No 12 28/8/2016

Can you imagine the world without wild life? India has 172 types of flora and fauna that are endangered. We owe it to nature to take responsibility for the damage we've done by changing our habits and spreading awareness on how to keep our planet clean and safe for all living beings. One of the best means to do so is poster making.
