Work Education Report – Sewing Wonders

Needle Work-Classes 11 & 12

The benefits of teaching needle work to students are numerous. Handwork develops focus and concentration. It enhances creative thinking and increases hand / eye coordination and builds self- esteem.

*Keeping this in mind **Sewing Wonders** made the students learn the basics of stitching.*

Students were taught several stiches like tacking, hemming , chain stitch and stitching the buttons.

Teachers Incharge: Ms. Shuchi Nagar
