CYBER ZONE CLUB- TERM-1

CLASSES: VI, VII & VIII   SEPTEMBER 2019

We, at Cyber Zone are geared up for yet another exciting session. The students worked on various projects involving several features of Microsoft Office like MS Word and MS Power Point.

The idea of instilling computer competence in the younger minds inspires us to motivate the students to be creative and proactive with respect to learning new aspects of technology.

Week No	Topic covered
3	Introduction - Segregation of clubs
7	Scratch Project to handle the motion and control blocks
9	Create a Save Water poster and in the process learn page orientation, water mark and landscape features. of MS Word.
10	Debate on Cyber safety was conducted.
12	Created a News paper advertisement on their favourite topic
13	Continue to work on enhancing the News paper advertisement.
14 & 18	MS power point presentation on the given topic.

The students worked on scratch projects in a very creative way.

The students created a newspaper advertisement in Microsoft word using various tools like shapes, call outs and inserting text.

The students also discussed about cyber safety and security. The students actively participated in group discussion sharing their views and opinions about various measures to be taken both by the adults and students to keep themselves safe from cybercrime. The students also created a power point presentation on the same.

The students had an exciting term in Cyber zone .Looking forward to yet another enriching term, I sign off..
