

TEACHERS TRAINING WORKSHOP ON SCHOLASTIC ASPECTS OF CCE

ORGANISED AT DDMS P. OBUL REDDY ON 6th & 7th AUGUST 2016

The teachers training workshop was organized at DDMS P. Obul Reddy Public School for two days on 6th and 7th of August 2016, by CBSE the Centre of Excellence, Kakinada.

The programme began at 9 am and was conducted by two resource persons Mrs. Anjali Razdan, Principal, Obul Reddy Public School and Mrs. Vishnu Vandana, Principal, Euro School Hyderabad.

After a formal welcome of the guest, the participants were briefed about the session and the agenda. Mrs. Razdan highlighted on certain important instructions to be followed during the workshop and also stressed that the teachers would experience a complete change in their perspective and achieve a holistic approach towards the whole concept of CCE. A detailed information and understanding of the concept of CCE was brought about through activities, simulations, strategies and handouts.

A lot of misconceptions about CCE were cleared besides new concepts of understanding about Rubrics, interdisciplinary approach, Tools & techniques of Formative & Summative Assessments and value based questioning were introduced.

It was a highly interactive and informative workshop which aimed at encouraging the teachers to have an understanding on the concept of CCE and apply these techniques to an actual class room situation. The resource persons concluded the day by emphasizing that as teachers one should understand that, the effectiveness of the whole concept of CCE can be achieved only through a positive approach and right perspective which in turn will create more effective student friendly learning approach.

All in all the two day session was never a dull moment and proved to be a great energizer and motivator. All participants completed the tasks with a positive sense and bonding and wanting for more such workshops in the future too.
