

Carrying the fervour of Independence day and 'Azadi ka amrut mahotsav', classes 6 and 7 were taken to L & T Screen, Punjagutta, on 18 August 2022, to watch the iconic movie – Gandhi. It was an amazing experience for the youngsters, who learnt more in detail about their role model – Mahatama Gandhi.

The class 7 students later answered a questionnaire given to them on the movie that they watched. Students returned feeling privileged of the independence that had taken for granted for many years. They understood the atrocities Indians faced under the British colonialism.

Here are a few pics of the day!
