

INTERNATIONAL DAY OF MILLETS 2023

In the recent past, on the context of International Day of Millets, many exciting competitions and a

wonderful assembly was conducted at DDMS (AMS) P. Obul Reddy Public School. These competitions included -'Millets Kitchen' and 'Poster-Making'. In the 'Millets Kitchen,' Saanvi Sharma and Shruti Sahasra from VIII D became the winners, and runners-up were Chetana and Aashrita, whereas, 'Poster-making' competition was won by Saanvi Sharma and Anagha Arra from VIII-D and runners-up were Siya and Diva.

It spread awareness amongst all students and grabbed their attention towards our small but mighty, 'millets'. These competitions and assemblies enhanced our knowledge about millets from just a small grain to a huge part of our diet. They laid an understanding about what are millets, their history, how to use.etc.

Our respected Secretary Sir Sri.E.Narasimha Rao, Principal Ma'am, Vice-Principal Ma'am (Secondary), Head-Mistress (Pre-Primary), Head-Mistress (Primary) also graced the occasion. The fest was successfully taken forward by students of class 8, where they presented amazing dishes prepared with millets. The assembly was conducted by class 8-A which included interesting skits to melodious songs and amazing articles. All the efforts of the students and teachers, together made the International Day of Millets 2023, a great success.
