

CLASS XI PARENT ORIENTATION

With the new academic session on the anvil, an orientation for the parents of class XI was organized on 30 March 2024 at the school auditorium. The orientation was conducted to enlighten the parents about the curriculum of the senior secondary school. The orientation was conducted in two sessions – the first for the science and humanities streams and the second for the commerce stream.

The event began with the introduction of the newly inducted Principal of the school Ms K.Vinitha, The Principal then conducted the orientation, briefing the audience about the school, the infrastructure, the academic curriculum and also the facilities

extended by the school, like the school transport , coaching for competitive exams, career guidance etc.

She also introduced the faculty of the senior secondary school to the parents.

The session concluded with an interaction of the principal and parents wherein the principal addressed several concerns of the parents.
