

EARTH DAY

'A little effort will go a long way on everyone's end' should be the guiding principle for each one of us to save, preserve, worship and care for our Planet- earth.'

April 22, celebrated as Earth Day was initiated to inspire all to rejoice and cherish the beautiful planet and to awaken the people on how they can be an asset in saving the Earth from pollution, global warming, water scarcity and other several concerns.'. This year the theme of Earth Day is '**PLANET VS PLASTICS**'.

The day began with a message from our Principal, Ms. Vinitha Anil and Primary Head Mistress Ms. K.C Srivani, wherein they enlightened the learners about the significance of celebrating Earth Day, its history and its relevance, which took place on 22nd April, 2024. **The students of primary wing enthusiastically participated in myriad of activities conducted in the classes to commemorate our benevolent Mother Earth. To start with, the students learnt the importance of the Earth Day and the need to preserve and conserve their self-sustaining planet. Students expressed their views by making story board, posters, charts, and reciting poems.**

The students participated in these activities with great zeal and enthusiasm showcasing their artistic and creative skills.
