

SAVE WATER

"save water save life, don't only read this getup and go for it."

SAVE WATER SAVE LIFE

The school organised 'Save Water Campaign' to sensitize students and masses about the conservation of water which is a precious resource and should be conserved for future generation also. The campaign was organised under the guidance of the principal, Ms. Vinitha Anil. The students of Primary Wing prepared placards,

slogans and banners. Students participated with great zeal and enthusiasm in the campaign to spread awareness for conservation of water and also how to minimize the usage of water. It also aimed at conserving and protecting natural water bodies and their aquatic environment.
