The end of the holy month of Ramzan calls for the greatest celebration. Eid, the festival that upholds the spirit of brotherhood and love was celebrated with great enthusiasm by the Pre-Primary students. They were explained about how this festival bring special cheer as they wear new clothes on the occasion. The kids enjoyed the Sheer Kurma (sweet) which was prepared and shared by Parents.

The programme ended on a very joyous note with the students wishing each other Eid Mubarak and taking home activities prepared by them. This celebration helped the children develop an awareness of the world around them, the customs, culture and tradition of the people living around.
