### Workshop - PUBERTY EDUCATION CAMPAIGN

A workshop was conducted on 12th April 2024 for girl students of classes V to IX in two sessions on PUBERTY EDUCATION CAMPAIGN by Ms Nivea Nair, student wellbeing trainer from Right Side story.

It was enriching and informative as its aim was to nurture self awareness, confidence and a supportive environment for every student.

Students attentively participated and clarified their doubts. Later all students were given a packet of sanitary napkins and participation certificates.
