

## NURSERY AND LKG RED DAY SPECIAL ASSEMBLY

**“The colour of smiles illuminates the air with energy, vigour and exuberance.”**

Pre-Primary students of AMS P.Obul Reddy Public school celebrated “Red Day” on 4<sup>th</sup> July, 2025 to introduce children into the mesmerizing realm of colours. The colour **red** made our tiny tots feel bright, lively and cheerful.

Special assembly was conducted by the teachers of pre-primary. All tiny tots and teachers looked stunning in red colour outfits. Some of the students dressed up as red objects like apple, strawberry, hibiscus, post box and tomato..... and also spoke few sentences and rhymes about them. A Red Day take away was also planned by the teachers which focused on sensorial skills of the students.

It was a wonderful learning activity which helped children to reinforce their cognitive skills.
