## **SPECIAL ASSEMBLY ON THE EVE OF TEACHERS' DAY BY THE PRIMARY STUDENTS**

Teachers' Day is a special day for the appreciation of teachers. It may include celebrations to honour them for their special contributions in a particular field area, or the community tone in education.

In India, the birthday of the second president , Dr. Sarvepalli Radhakrishnan , 5<sup>th</sup> September is celebrated as Teachers' Day since 1962.

In this regard, the students of primary wing had put up a great show on 4<sup>th</sup> of September, to express their gratitude towards their beloved teachers. Cultural programme like songs, dances and speeches was organized. A surprise came in the form of a ramp walk by the tiny tots of grades I and II along with their respective class teachers.

The program was a grand success. And the students thoroughly enjoyed it.
