PRE-PRIMARY SANKRANTHI CELEBRATIONS

The vibrant spirit of the harvest festival took centre stage at P. Obul Reddy Public School as the Pre-Primary wing celebrated Sankranthi on 8th January with immense traditions and joy. All the little ones dressed up in beautiful traditional attire and the event commenced on a heartfelt note by honouring our esteemed guest speakers: the grandparents of Vainaavii (Nursery A) and the grandparents of Shreshta (LKG A). They shared pearls of wisdom with the young audience about the significance of our festivals, rituals, and the deep-rooted cultural importance of Sankranthi. Following this, our Principal, **Ms. K. Vinitha**, addressed the gathering, inspiring the "little ones" to cherish and uphold our rich Indian traditions and cultural heritage as they grow. The auditorium was filled with melody and rhythm during the cultural programs, featuring energetic dances and traditional **Gobbillu songs**

Adding to the authenticity of the celebration, Principal Ms. K. Vinitha, Pre-Primary headmistress Ms. Vijaya Durga along with the school heads, participated in the ceremonial **preparation of Pongal**, symbolizing abundance and gratitude. A major highlight was the **Rural People Display**, which allowed children to visualize and understand traditional lifestyles. The festivities also included a magnificent **Bommala Koluvu** (display of dolls) and the sacred **Bhogi Pallu** ceremony, where the young students were showered with blessings and seasonal fruit to ward off evil and ensure well-being.

The excitement reached its peak as the children took to the outdoors for **kite flying**, an essential Sankranthi activity that brought joyous cheers and colourful sights to the sky. The memorable day concluded with a formal Vote of Thanks delivered by the Pre-Primary Headmistress, **Ms. Vijaya Durga**, who expressed her gratitude to the parents, staff, and students for making the "Sankranthi Sambaralu" a grand success.
