

NURSERY AND LKG BLUE DAY SPECIAL ASSEMBLY

Blue Day Celebration: A Splash of Learning and Fun

“Blue – the colour of loyalty, strength, wisdom and trust had a very positive impact on tiny tots bringing in harmony and brotherhood.”

The Pre-Primary students of AMS P. Obul Reddy Public School celebrated Blue Day with great enthusiasm on 17th July 2026, transforming their classrooms into a vibrant sea of blue. Symbolizing calmness, creativity, and intelligence, the colour blue became the theme for a day filled with joyful learning and exploration.

Dressed in delightful shades of blue, the young learners participated in a variety of interactive games and play-way activities designed to help them recognize and appreciate the colour. A thoughtfully curated display of blue objects—including umbrellas, balls, clouds, flowers, Doraemon, blueberries, and a blue kitchen set—captivated the children’s imagination while reinforcing colour recognition through hands-on experiences.

Adding to the festive spirit, the teachers presented a lively rendition of the song *"Blue is the Colour"* and engaged the children in a meaningful take-away activity, making the celebration both enjoyable and memorable.

The celebration served as more than just a fun-filled event. It provided an enriching learning experience that strengthened the children's cognitive development by helping them associate visual cues with words—an essential milestone in early childhood learning. Through such engaging activities, the school continues to foster curiosity,

creativity, and joyful learning among its youngest learners.
