

E.Dac Workshop

Mathematics and Social Studies

A workshop was conducted by Ms Sangeetha from E-Dac Publications for Primary and Middle School teachers on 19-4-16 . She gave several tips in teaching Mathematics and Social Studies to

students. She discussed about various interesting activities that can be conducted

in the classroom which enable the students to understand the concepts. She emphasized the importance of using the **game cards** in Mathematics to improve the analytical and arithmetic skills of the students.

She also discussed

the importance of working out the exercises in the workbook which would help the children to understand the concepts well and strengthen their knowledge.
