

# XSEED WEBINAR

## BE A SUPER TEACHER

### Founder Masterclass on XSEED SUPER TEACHER APP.

**Participants:** Pre-primary Teachers.

It was a live masterclass on the XSEED super teacher App personally facilitated by XSEED Founder and CEO Mr. Ashish Rajpal on Saturday 6<sup>th</sup>. Feb.2021 at 10AM.

This was the official introduction to “XSEED Super Teacher App”.

### Agenda:

**Super Teacher App Live Demo:** This session was included live demonstration of the app and showed how it fits into an entire eco system designed to empower Schools, Teachers and Students.

**Real Class Examples:** The workshop also featured the examples of the Super Teacher App in action in real online classes with student of all ages.

**Panel Discussions with Experts:** It included practical advises by XSEED International Academic Experts on how to make the “super Teacher App” work for any instructional situation that this challenging year threw at us.

### Q&A session with Ashish and Team

### About the “Super Teacher App”

The XSEED Super Teacher App is the first of its kind in the world to transform every teacher into a "Super Teacher".

- Fully loaded Curriculum. Pre-Loaded with 10,000+ lesson plans fully aligned to the standards.
- Revolutionary Methodology. Powered by the proven XSEED Method that makes every class engaging and full of learning.
- Engaging for Students. Videos, textbook pages, and worksheets can be viewed by students.
- Dual Usage. Works both in-class and remotely for online classes.
- Teacher Assistance. Built in notes, help, & chat for teachers to get any academic or tech help they may need.
