### **WORKSHOP ON 'SOFT SKILLS'**

“Learning in an interactive setting as opposed to a passive one is conducive to the mix of soft and academic skills which needs to be developed in our kids.” “People skills in leadership are not negotiable any longer in the contemporary world. The education system, therefore, must equip itself to induce such skills in their learners to empower them socially.

With the objective of enlightening the elementary level teachers on the importance of soft skills, Ms. Rekha Rao, Principal, conducted a workshop on 'Soft Skills Development' on 10<sup>th</sup> April, 2023. The session was attended by Ms.Vijaya Durga, Head Mistress, Pre Primary. Ms.K C Srivani, Head Mistress, Primary School and the Pre-primary and Primary faculty..

The session mainly focused on how to be more proficient in speaking English, how to introduce oneself, how to communicate according to the situations, how to involve children in asking questions and group discussions by posing questions and making them more outspoken, as well as how to improve social skills in this present era.
