

The 16th Edition of THE EDUCATION SUMMIT

The dynamics of the education system have always challenged the educators. On the other hand, educators have met the challenges with their relentless upgrading and developing their classroom management skills. Institutions and organisations regularly come together to provide opportunities and expert advice to enable teachers to meet the demands of contemporary times.

Time2Grow Media organized the 16th Edition of The Education Summit on 15th April 2023 at The Park, Somajiguda. Ms. Srivani, Headmistress (Primary) and Ms. Beulah Suhasini represented the school for the event. The programme covered key points on the topic- Upskilling and Reskilling the Educators. The topics of panel discussion during the session were Essential Skills for the Educational Leaders of Tomorrow, Preparing to teach students of/for tomorrow, Investing in Teacher Training and Assessment to Improve Quality of Education, Reskilling and Upskilling for teachers: A strategic Response to Changing Skill Demands in Education. The following are a few takeaways from the summit: Implementing and Using Technology wholeheartedly, How to teach and equip students for the future (higher education & jobs), Modify the curriculum to create better employment-ready courses, Importance of the four C's: Critical thinking, Communication, Collaboration and Creativity.

Overall, the programme was informative as it focused on the facilitator's role in transforming the future of the students; both as an individual and as part of the society.
