The eminent speakers shared their valuable views on NEP 2020, its need, learning objectives, the role of stake holders, teachers, school heads and parents in the holistic development of a child. They mainly emphasized on the policies of NEP, which should be adopted and followed by all the schools in our country for the overall holistic development of a child and focuses on giving value-based education to the students.

The NEP motto: educate, encourage and enlighten, should be the motto of the stake holders too to achieve our goals by the year 2026-27.
