

# WRITING THE RIGHT WAY

Attendees: Pre Primary, Class 1 & 2 Teachers

Resource person: Dr.Sreeson Gopinath

Date: 28/06/2023

Time: 3:45PM – 4:30PM

Handwriting is an essential skill that impacts self-esteem, confidence and academic marks of the student as well. Hence, the handwriting Lab has come up with unique handwriting methodology where both teachers and students follow the same unified pattern of cursive writing. This session emphasized on scientific and result oriented approach to free our education system from stagnant Copywriting Disorder
