

MATHEMATICS WORKSHOP

Name of the event : Re-imagining Mathematics Teaching from Rote to reasoning

Date : 25th October , 2025 (9:30 am to 2:30 pm)

Venue : Royal Reve hotel , SD Road , Secunderabad.

Attended by : Ms.D GAYATHRI and Ms.D NAGAJYOTHI

Resource person : Ms.KAKALI BAGCHI

Mathematics education is shifting from traditional rote learning to fostering mathematical reasoning skills in students. Rote learning focuses on memorization, whereas reasoning enables students to understand, analyse and apply mathematical concepts creatively.

She stressed on vertical alignment (connectivity) of topics from class I to higher classes.
