TOPIC: POCHAMPALLY

Pochampally and the cluster of many villages in Yadadri-Bhuvanagiri district of Telangana are renowned for world-famous Ikat designs and dress materials. Here the threads and colours created by skillful weavers are used in the process of making beautiful sarees and dress materials. Popularly called as the Ikat or Tie and Dye weave, the uniqueness of Pochampally fabric lies in the transfer of design and colouring onto warp, for weaving them deftly together.

Reading and understanding- Begin with reading the chapter-23 in the textbook.

- If possible visit Pochampally village/ a cloth shop/ a tailor shop / maggam work shop. Take pictures with them.
- If you or your relative purchases any Pochampally fabric or if you have at home take a picture of that fabric.
- Gather the information on Pochampally under the following heads and present them in the form of a small documentary/ interview/ short video/ short film.

1. Where is Pochampally located what is it famous for?
2. What are the fabrics used by the Pochampally weavers to make the saree?
3. Why weavers are giving up their traditional work?
4. What are the steps in making Pochampally fabric?
5. What is the difference between Ikkat and Pochampally?

Rubrics:

1. Research- 2m
2. Question and answers-5 m
3. Presentation-3 m
