The Times group conducted its very first inter-school quiz in Hyderabad recently. Two teams from our school were selected, and the finals were held on 27<sup>th</sup> October, at Sandhya Convention Gachibowli. Out of 300 teams that had participated in the semi-finals, students of our school, comprising of Siddhi Kabra, Sharini Srivastav, and Tharushi Jain, were one of the 6 teams that were selected for the final, the only girls team among them all. The girls won the quiz, which carried a prize of Rs. 1 lakh, along with a glittering trophy and certificates.

The school is very proud of its students who have achieved a commendable feat and raised the bar for our students from the junior classes.
