### STUDENT ACHIEVEMENT- VIHE

Yuva Sangharsh is an annual Youth Leadership Contest conducted by the Vivekananda Institute of Human Excellence, Hyderabad. The contest aims at instilling values of honesty, humbleness, patriotism and a never-ending will to learn and grow among the participants while finding a leader among the same.

During normal times, the contest would have been conducted at VIHE itself. However, due to the lockdown imposed in 2020, it was conducted online, with over 500 participants from every nook and corner of this nation. Padmasritha of Class XI D was declared Outstanding Youth Leader.

The contest began in April 2020 and ended on the 12th of January. During the period of these 9 months, we were tested through 4 rounds which were further divided into two rounds each. As students passed through each round, they were tested at a higher level of scrutiny and an increase in the pressure levels. "More than anything, this contest is the best way to understand ourselves and get better with each passing day!" , says Padmasritha.
