

## LITTLE LEAP WINNER

Little Leap helps children develop 21<sup>st</sup> century skills through fun, playful and engaging sessions to amplify the child's social and interpersonal skills, English speaking, public speaking, creativity and critical thinking. Himaansh Sanapala from class VI A, participated in this event and bagged the 1st position. Here is what he has to say about this competition :

Himaansh Sanapala,

Class –VI A

P. Obul Reddy Public School

It was an amazing experience with Little leap Olympiad first round as they were conducted extempore contest (i.e. Impromptu speech), as we need to choose any one topic given by them without any prior preparation, there were four to five topics in which I have chosen about my dream Job / Career and spoke about it. Even there were several activities like puzzles, creativity, Riddles and interaction with other school children etc.

I very thankful to Little leap Olympiad, My School, Our Principal, all teachers and my parents who gave me opportunity and encouragement to speak about my dream Job – “TO Become Army Officer”

Thank you all for your support and encouragement.
