### TELANGANA SCHOOL INNOVATION CHALLENGE: GRAND FINALE WINNERS

The flag of AMS P.Obul Reddy Public School soared high as the team was announced the 3<sup>rd</sup> position in the Grand Finale Event on 4<sup>th</sup> April 2022 at the Taramati Baradri Resort, Hyderabad.

Special jury and Guest of Honour Sri KT Rama Rao honourable Minister for IT and Smt. Sabitha Indra Reddy, Minister for Education, Govt. of Telangana presented the certificates and a cheque worth Rs.2 Lakh to the winning team comprising of Naman Pattanaik, Debansh Mishra, Soham Bilolikar and Gangasani Sanvi Sree all hailing from grade 8.

The Project titled 'Intravenous Fluid Indicator' was designed after identifying the problem faced by the para-medical staff in keeping up with the pace to replenish the Fluid bottles. During the pandemic situation there were many hospitals with not sufficient hospital staff to attend to the patients. There were instances when the patients went into anxiety and other medical complications due to not replacing the saline bottles on time. That's what triggered them says Debansh, the team member.

Sri K.T.Rama Rao was all praise for the students' idea and the confidence with which they spoke. The students were guided by their Science teacher, Ms.Sharmila M, who is very proud of the fabulous four. The team was felicitated by the District Collector Sri L. Sharman and District Education Officer Smt. Rohini. P.Obul Reddy Public School Chairman, Sri. S.V.Rao also congratulated the students.
