

CHARITY BEGINS AT HOME.

Our art teacher, Ms Shabana, has made the PORPS family proud by putting service to mankind ahead of all other vested interests. Ms Shabana has been rendering yeomen service as a teacher, thriving to make the slum dwellers equipped for financial independence.

Ms Shabana has been teaching some basics of learning and etiquettes to the underprivileged at every opportunity for the last 22 years. She has passionately thrived to uplift the slum dwellers especially women by training them in basic stitching, art techniques and also the three Rs (Reading, Writing, Arithmetic). What is most laudable is that, she does this service with no materialistic benefits and takes time off exclusively to carry on these activities, without disturbing the demands of her job and family.

Deservingly, in recognition of her selfless services, Ms Shabana was felicitated by the Rotary Club Of Hyderabad Midtown on 22 September 2022. She was awarded a Vocational Excellence Award, as a dedicated Art Teacher and for promoting art and nurturing creativity in young minds.
