A DOUBLE DISTINCTION: CELEBRATING EXEMPLARY EDUCATIONAL LEADERSHIP

Principal Ms. K. Vinitha Honoured for Visionary Leadership and Educational Excellence

AMS P. Obul Reddy Public School takes immense pride in celebrating the remarkable achievements of its esteemed Principal, **Ms. K. Vinitha**, whose commitment to academic excellence, transformative leadership and holistic education has earned her two prestigious distinctions.

In a significant recognition of her exemplary contribution to the educational fraternity, **Ms. K. Vinitha was featured among the *50 Visionary Principals: Celebrating Educationists Who Inspire Change*** in the *Times School* supplement of *The Times of India*, Hyderabad edition, dated **29 September 2025**. This distinguished acknowledgement celebrates educational leaders whose progressive vision, innovative pedagogical approaches and steadfast dedication have made a meaningful impact on contemporary education.

"Education is not merely for self-growth, but for the greater good"

K Vinitha
Principal
AMS P Obul Reddy Public School

EMPOWERING STUDENTS TO LEAD CHANGE

Education today extends far beyond classroom walls and textbooks. Students are no longer simply absorbing facts; they are becoming active changemakers, using knowledge to serve the world with purpose and empathy.

At the heart of modern learning is leadership at every level. True leadership is not about titles, but about everyday courage, critical thinking, collaboration and the confidence to take meaningful action. It is about recognising opportunities, taking responsibility and inspiring others to contribute positively.

The role of educators has beautifully evolved from the traditional 'sage on the stage' to the 'facilitator of learning'. As mentors, they create safe, joyful and inclusive spaces where well-being, safeguarding and open dialogue thrive. They encourage students to question, explore perspectives and develop the confidence to make informed choices.

Most inspiringly, students are leading the charge through hands-on community initiatives. They run meaningful campaigns promoting nutritious eating, regular exercise and mental health awareness, while advocating for crucial causes such as menstrual hygiene and cancer awareness. Peace-building dialogues further encourage understanding, empathy and global harmony.

Through these initiatives and conversations, learners discover that education is not merely about self-growth, but about contributing to the greater good. The new age of learning is about nurturing articulate, reflective and empathetic global citizens who do not simply study the world, but actively participate in making it better, with compassion, responsibility and purpose.

Adding another illustrious feather to her cap, **Ms. K. Vinitha was conferred the *Best Zonal Principal Award 2025–26* for the Telangana Zone by the Science Olympiad Foundation (SOF)**, in recognition of the outstanding performance and achievements of the school's students in the SOF Olympiads.

With over 25 years of distinguished service in education, Ms. Vinitha has consistently championed an educational philosophy that transcends conventional academic boundaries, fostering intellectual curiosity, character formation and the holistic development of every learner. Her visionary stewardship continues to nurture a vibrant learning environment where innovation converges with tradition and excellence is pursued with unwavering conviction.

These accolades are not merely individual milestones but also a testament to the institution's enduring commitment to nurturing responsible, accomplished and future-ready citizens. They reaffirm the school's reputation as a centre of educational excellence, guided by purposeful leadership and progressive ideals.
