don't happen,

Our School grooms students to face the challenges that come across when they step out of the alma maters. In this process, the school partnered with KIC UnivAssist to co-host a Webifair on 26<sup>th</sup> June. The Webifair helps students to find a suitable career choice and narrows down the options so that finding the right college becomes easy.

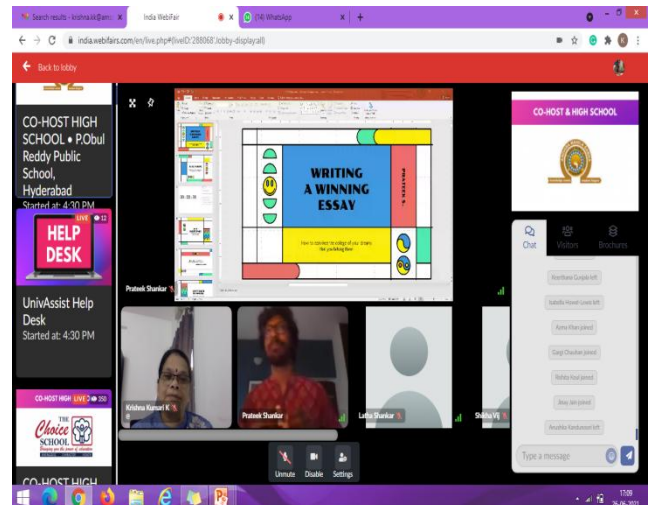

The event was introduced by Ms Krishana Kumari K, Career Counsellor and with a welcome address by Ms. Latha Shankar, Principal and followed by two exclusive workshops on “How to build your Profile for college admission-India/Abroad” by Ms Shikha Vij, a Career Advisor of Step by Step School, Noida and “How to write a Winning Essay” by Mr Prateek Shankar, a Visual & Communication Designer.
