- Ms Krishna Kumari,  
Career Counselor

A career guidance session was held in the presence of Principal, Ms Rekha Rao, Vice-Principal, Ms Nagaveena and other staff members for the students of Class IX & X on 19<sup>th</sup> & 20<sup>th</sup> of December, 2023. The session was based on the concept of 'Profile Building'.

The session threw light on today's trend of Portfolio and Competence building. Students were navigated towards achieving both academic and skill proficiency as currently the admission process of various universities is not purely based on the rank and mark sheet of students but also the skills they possessed which is a welcoming change and widely benefit the student community with learning gaps.

The session concluded at a cheerful note as many students shared anecdotes and the expectations of their family members.
