

## DDMS P OBUL REDDY PUBLIC SCHOOL

### INDIAN UNIVERSITIES CAREER FAIR by PAGE ACADEMY 2020

Page Academy conducted its Annual Career Fair on 21<sup>st</sup> and 22<sup>nd</sup> November. Speaking in the virtual inauguration, Principal Mrs Latha Shankar recalled that the fair conducted by Page Academy last year. She said that many students are still unaware of the various career options and universities that offer the same; and hoped that this year too, the fair would benefit many students.

Universities such as Flame University, ICFAI, Woxsen Business School, Manipal University, Shiv Nadar University, BITS Pilani(Dubai & Hyd Campus), Bennet, and many more such well known universities sent their representatives to conduct the career fair. They answered questions such as the various certificates of curricular and co-curricular activities which would count for admission, the fees, the hostel and other requirements. Students showed a keen interest in the fair since the Covid situation has raised many questions on the future of education.

The fair was conducted from 10 AM to 4 PM on both the days. On the first day, there was huge web traffic for the fair which led to many students getting a server error. However this was quickly rectified by Mr Vivek, the representative from Page Academy, and students were able to login. The Page group was overwhelmed and thanked the school for the support.

Many parents of the students of our school also joined in. They interacted with the University Representatives and got their queries and questions answered. Mr. Vivek said that it has been a wonderful session and Page Academy looks forward to hosting many more such events to benefit our students. Our students on their part, appreciated the variety of colleges and career fields that they were exposed to, in the fair. On the whole the fair was a huge success.
