# **Virtual Interhouse English Recitation Competition 11 August 2021**

Virtual English Recitation Competition was conducted for students of Classes I, II and III on 11<sup>th</sup> August during 5<sup>th</sup> period. Children actively participated in the activity. The recitation activity aimed at helping children to improve their language skills. Poetry has tremendous appeal for children and enhances their power of imagination. Participating in such engaging activities help children to develop confidence, learn new vocabulary and acquire natural

speech rhythm.

The topics given were 'Colours' for Class I, "Monsoon Showers" for Class II and 'Mother Earth' for Class III. The event was successfully organized and the highlight of the day was that both the participants and the viewers enjoyed the event thoroughly. The selection of the poems, was very good. Their presentation, intonation of the voice was commendable. The rhythm, voice modulation and clarity in their voices needs a special

mention.

We are hopeful that after witnessing the event today, many more children would get motivated to take part in such events in future.

**INTERHOUSE COMPETITIONS: CLASSES I, II, III Virtual Inter House Dance Competition 18 AUGUST 2021** 

A Dance competition was held on 18th Aug 2021 for students of classes I, II & III. The objective of conducting this activity is to provide an avenue to the children to purposefully utilize their time at home and keep them engaged in these times of 'stay-at-home'. With no physical activity and the movement restricted, children tend to feel bored and dull. So, to help them exercise their brains and bodies, the Virtual Inter House Dance Competition was organized. The theme given was "Folk Dance". In line with current situation, costume was not specified and they were free to wear any dress.

Children participated with loads of energy, enthusiasm and excitement. They exhibited good etiquette and watched the performances of the

other participants with keen interest. The selection of dances and songs was noteworthy, which demonstrates the active involvement of the parents too. Dancing involves both physical and mental activity and helps improve whole body coordination. Children enhance their focus and concentration through dance.

# **Virtual Interhouse Story Telling Competition 8 NOVEMBER 2021**

Inter House Story Telling Competition was conducted for students of classes I & II on 8<sup>th</sup> November. The theme for the competition was 'Panchatantra Tales.' The event was a huge success with many students taking part in the competition with vigour and enthusiasm. The young

story tellers with their excellent facial expressions and gestures, made their stories interesting and immersive. Each story was concluded with a moral

highlighting the values of life.

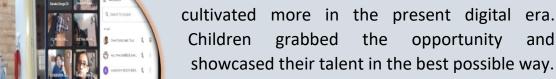

Telling and listening to moral stories is one of the best ways of instilling moral values in a child. The extent to which we are influenced by moral stories can't be quantified. They impart wisdom, teach us life lessons and inspire us to follow the right path in life.

Story Telling, in particular, is an activity that will entertain both the teller and the listener. It can be used to inform, entertain and educate. Another unseen benefit of the story is that it incites imagination in the kids and this is one

quality, the ability to imagine and visualize,

**Report on Virtual Craft Competition 15 November 2021** 

In this era of technological advancement and major shifts in the way we live, learn, think and excel, 360° development in the young ones is gaining importance. Simply excelling academics may not be enough to be a successful person in life, an overall exposure is needed. Our school regularly conducts various co-curricular activities to provide this exposure to children and nurture their talent.

Virtual Inter House Craft Competition was held for classes I, II and III. This competition was conducted to develop fine motor skills, boost self-confidence, improve eye hand coordination and spur creativity among the students.

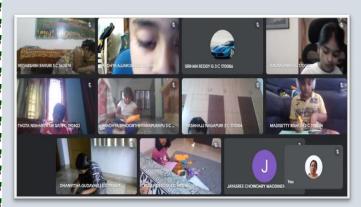

Children participated enthusiastically and exhibited their talent and skill. They had shown a lot of patience, dexterity and focus in completing their projects and some of the end products were a testimony to this.
