

DDMS [AMS] P.OBUL REDDY PUBLIC SCHOOL

SPELL BEE COMPETITION SEASON -2 2022-23

A Spellbee competition was conducted on 24th August for Grades III, IV and V.

Learning a language is the foremost step in the life of a child as it helps him/her to communicate with the world and the school plays a vital role in training the child in this direction.

The objective of the competition was to enhance the spelling and literary skills of children by encouraging them to explore the English language, expand their vocabulary and improve their communication, learn concepts and develop the use of correct English and comprehension skills. This helps students in improving their spelling, vocabulary, learning concepts and pronunciation. This language development programme comprises learning through play way method and a healthy competition is thus encouraged.

This competition gave students a platform to learn spellings in different ways. Children participated earnestly in the competition. The Spell Bee Competition aimed at creating awareness of the possibilities of using varied words in written expression and to add words to the active vocabulary of students. Their efforts and initiative was appreciated by one and all. To sum up, the competition helped the children to familiarize with spellings and usage of many unfamiliar words.

Class III winners

Class IV winners

Class V winners

INTER HOUSE SOLO SINGING AND SOLO FOLK DANCE COMPETITION

Solo Singing

As part of Co-Curricular activity, Solo-Singing event was conducted for Grade – III on 17th August. The theme for the singing was “Patriotism”. Singing as an event improves language & literacy skills, pronunciation and concentration. It also helps in overcoming stagefear and improve focus. The event conducted in physical presence after a gap of two years was a great show. Having a chance to sing before a group of their friends, children showed high levels of enthusiasm and excitement. It was clear that unlike in online events, this event organized in physical presence was very much in tune with their enthusiasm.

Solo Folk Dance

Solo Folk Dance competition was organized on 17th August for **Grades -IV & V**. The theme for the folk dance event was “Festivals” of India. Dance as an activity improves creativity and imagination, improves discipline and focus,

increases self-confidence and concentration. Children who were very enthusiastic to showcase their dancing skills grabbed this opportunity. Nicely supported by their parents at home, children did justice to the event by participating and performing actively. The dances by the children were a real feast to all of us, teachers and other children, to watch.

Inter House English Recitation Competition Grade III, IV & V -2022

English Recitation competition was held on 03.08.2022 as a co-curricular activity for **Grade-III**.

Recitation as an activity that helps in improving the child's memory power. Observation is a good source of learning and children observing their peers performing teaches many a thing to them. Further, children were too excited to participate and join their friends in the competition being held in physical presence after a gap of two years. The topic this time for recitation was "**Freedom**" in line with the "Azadi ka Amrit Mahotsav" that our country is celebrating. And, thanks to the parents and the children who prepared well for the event, this turned out to be a memorable one for the children as well as the teachers.

The topic for Recitation was "**Peace**" for **Grade-IV**. This event held in physical presence rejuvenated the competitive spirit in the children and with the support of their parents, children performed well exhibiting excitement and enthusiasm. They displayed good

diction and expressed good level of confidence.

Co-curricular activities make the children mentally and physically fit and sound and they help in social development among the kids. Participating in such

events enhances their learning abilities while other kids get motivated watching their peers.

Topic for **Grade -V** was “**Patriotism**”.This event brought the children back to old process of competitions where the competitions were held in everyone’s presence.

Unlike in virtual mode, here, children could observe their peers and learn a lot from that. They evinced a keen sense of interest and involvement in reciting their verses on the topic given. It was glad to see that they could adopt to different methodologies – of course with support of the teachers and their parents too. We are sure this would have opened new ways of learning and they would start deriving benefit from such events that are regularly held in the school.

INTER HOUSE CRAFT COMPETITION GRADE III, IV & V - 2022

Being a successful person in life requires more than academic achievement; it also requires exposure to many situations. Our school often holds a variety of co-curricular academic and extracurricular events to give kids this exposure and develop their talent. For a child's general growth, co-curricular activities like arts and crafts, singing, and dance are also valued in CCA competition.

On July 6, 2022, the CCA Craft competition took place. It had a wall hanging theme. The third, fourth, and fifth graders took part with enthusiasm and ingenuity in their craft projects. The competition attracted a large number of pupils, making the event a big success. Children created colourful artwork in accordance with the assigned theme using eco-friendly materials.

The themes given for this activity were:

Grade III: Wall hanging

Grade IV: Bunch of Paper flowers

Grade V : Paper Lamp

Given below are the results of craft competition held on 6th July 2022

INTER HOUSE ART COMPETITION GRADE III, IV & V - 2022

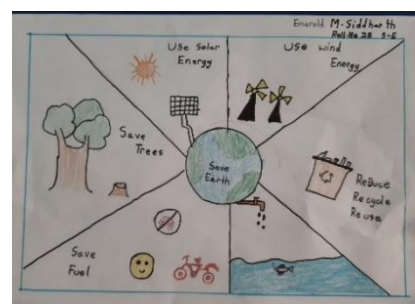

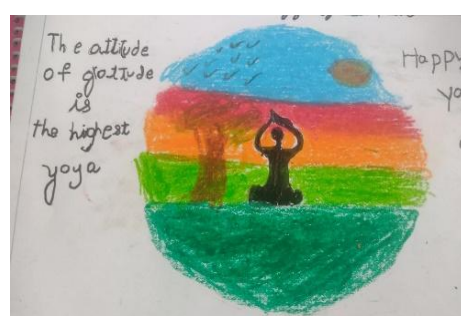

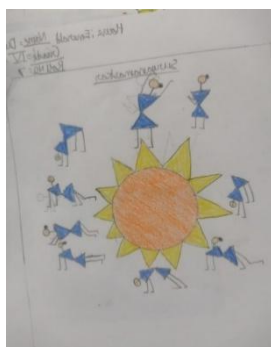

After a gap of two years, children had come to school to attend classes in offline mode. While this is a desirable development, it is also important to help the child adopt to the class-room teaching. The school had taken a step in that direction by conducting Drawing activity as part of the Co-Curricular Activities for the year. This is the first activity of this academic year and you will be happy to note that all the children participated in the event with lot of interest and enthusiasm. The CCA event was conducted on 15th of June.

The themes that were given for this activity are as given below:

Grade III: Indian Tribal Art

Grade IV: Yoga Day

Grade V: Save Energy

As we can see, the topics were chosen with lot of thought to promote thinking process among the kids and stoke creative skills.

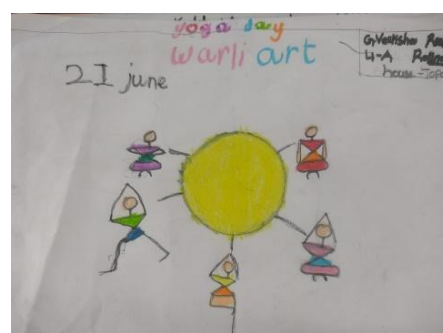

and with a view their

Children very nicely portrayed, through their drawings and colouring, the Indian tribal art. Kids gave a form to the now world famous Yoga Day through their art works, which is very heartening to see and I feel even we, the adults, needs to learn something from that.

And, one more very important topic that is attracting the attention of every responsible resident of this planet is environmental protection. As future generation to tread this planet, the students of our School had expressed through the beautiful and colourful drawings.
