

DDMS P.OBUL REDDY PUBLIC SCHOOL

ENVIRONMENT SAVIOURS OF DDMS

CLASSES OF IX AND X, ECO CLUB TERM 1 NEWSLETTER

2019-2020

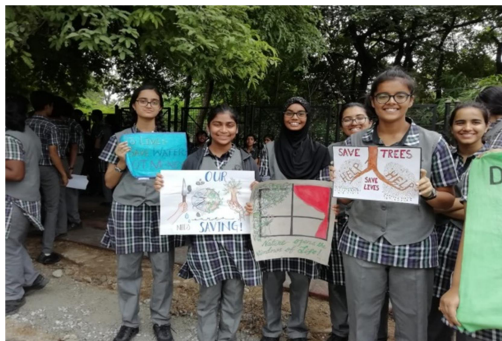

Incharge: Ms.P.Aruna

Eco club plays an important role in creating environmental awareness amongst future generations. Its a platform where students gain knowledge and attain social responsibility and also know how to tackle environment-related problems. It also encourages other students to reduce pollution and contribute to improve environmental conditions.

<u>Week No.s</u>	<u>Topic</u>
13	Haritha Haram
14	Go Green campaign
18	Water Conservation
19	Each one-save one litre water per day

Week No.13:

Organised session on environmental issues and campaigned against 'Say NO' to plastic.

Week No.14:

Conducted "HARITHA HARAM" program: "SOW A SAPLING-SAVE A SAPLING" campaign to save environment at KBR park by distributing saplings to public and spreading the news "GO GREEN".

Week No. 18:

Session was held on “Water Conservation” and how on each individual can contribute their work in saving water for ourselves as well as for future generations. Each one-save one litre-bottle per day concept was more emphasized and the campaign is yet to happen.

Week No. 19:

Students made posters for water conservation and relevant flash cards.
