

# DDMS P.OBUL REDDY PUBLIC SCHOOL

SEPTEMBER - 2019 Classes: IV & V

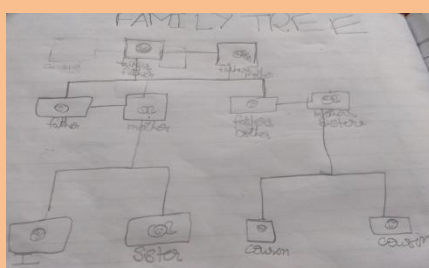

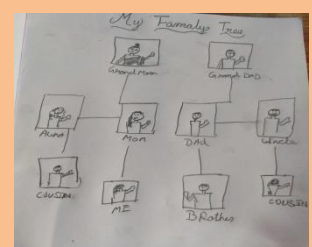

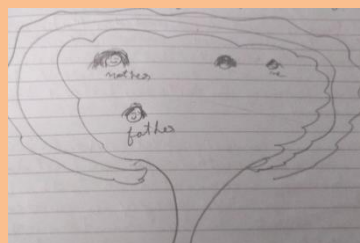

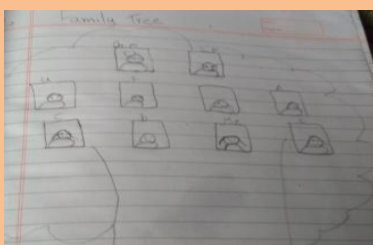

**The Heritage Club programmes are designed to involve students in various activities geared towards heritage awareness and education for learning . Heritage Club is about discovering the culture and heritage of our country.**

A family tree is a record of a family's lineage. On the surface family trees are interesting bits of recorded history that help us know where we came from and possibly give some clues as to where we might be headed.

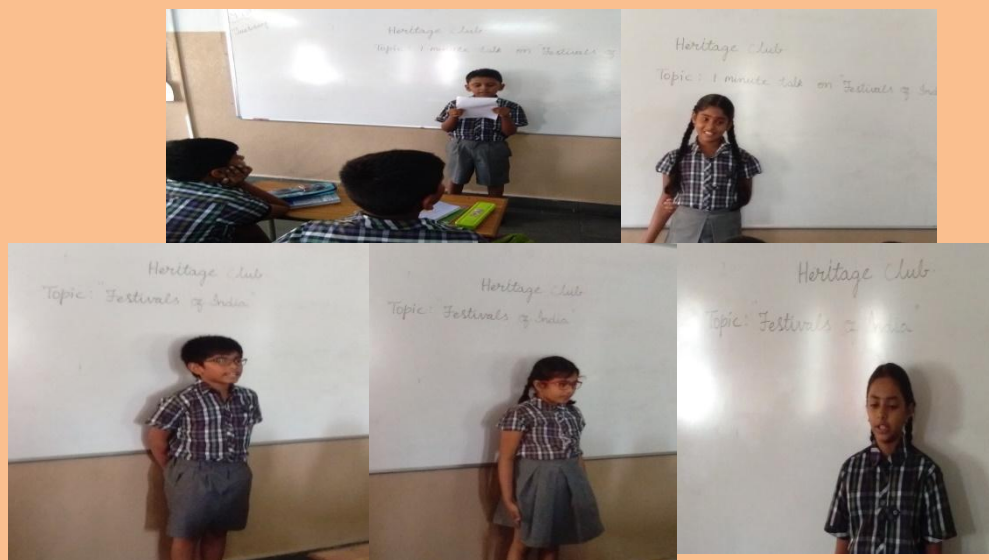

**In the month of June children drew the family tree and spoke few sentences about their family.**

A festival is an event ordinarily celebrated by a community and centering on some characteristic aspect of that community and its religion or cultures. Festivals that focus on cultural or ethnic topics also seek to inform community members of their traditions and experience provides a means for unity among families.

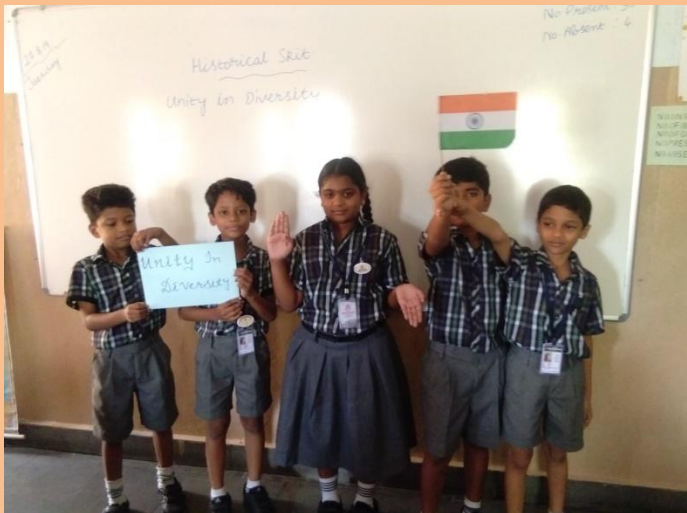

In the month of July children had 1 Minute talk about their favourite festival .

**A skit is a small play or performanc as a way to motivate students. When student teams create skits emphasizing different aspects of the same historical event, they may gain new perspectives**

In the month of September children performed Historical Skit and theme was struggle for freedom on the eve of Independence Day.

*So, these are the activities that were performed by the children and hope to come up with new activities in the up coming academic year.*

Incharge Teacher -Ms.K.Anurad
