

DDMS P. OBUL REDDY PUBLIC SCHOOL
NEEDLE CRAFT CLUB – TERM-1 (2019-2020)

Class: IX and X

Learning Needle Craft develops concentration on the task, creativity and handwork skills.

Week	Topic
8	Introduction
9	Running and Hemming stitches. These stitches are very easy and improve child's hand and eye coordination.
11-14	Chain, Spider web, Leaf, Butterfly, Fish bone stitches. These stitches enhance the aesthetic skills of students and their imagination.
18	Stem stitch –Enhances the creative skills of students and they could identify varieties of leaves of different species.
