

SPREAD SUNSHINE

Charity , a noble quality in mankind, brings welfare in the society. So we at DDMS P.Obul Reddy Public School, inculcate this habit of 'giving' in children and teach them to be compassionate towards the poor and the distressed. Students practice the act of selfless service to understand the sense of fulfillment which boosts their self-esteem. .

This noble cause is taken up by our students through **Sunshine Dropbox**. They encouraged their peers to contribute any amount, from a rupee to ten. The collected amount was donated to an orphanage at Secunderabad, Goonj and an old age home.

“CHARITY ISN'T ABOUT PITY, IT IS ABOUT LOVE”.
