

Community Service Project by Scouts & Guides of Classes 6, 7 & 8

Durgabai Deshmukh Vocational training & Rehabilitation Centre for Handicapped is a unit of Andhra Mahila Sabha working for differently abled persons since 1982. The centre houses two special schools namely School for Mentally Challenged and School for Hearing Impaired.

The Scouts and Guides of classes 6,7 &8 visited the Rehab Centre for the Mentally Challenged and Hearing Impaired as part of their Community Service Project.

The students had a meaningful interaction with the inmates there. They were mesmerized by the affection bestowed upon them by the loving champs of the institute. It was an eye opener for most of our kids and reminded them to count their blessings.

They distributed stationary and chocolates and also entertained the students there through dance and songs. The hearing impaired students were in for a treat when our children instantly performed an action song for them as they realized their disability.

A STRONG QUALITY OF LIFE LIES IN COMMUNITY SERVICE...
