

WILDLIFE WEEK @ CCMB

Date: 14 October 2022

Activity: External Drawing competition

Venue: LaCONES, Attapur

As a part of Wildlife Week celebrations, CCMB LaCONES (Laboratory for Conservation of Endangered Species), Attapur, hosted a Drawing competition on 14 October 2022 in their campus. Students of grades VI -VIII participated in the Junior category and IX- XII grades in the Senior category.

Devasani Rishita of IX-A bagged the first prize in the Senior category and B. Sri Harshitha of VIII- D won the second prize in the junior category.

The competition was followed by the screening of LaCONES video, showing the research work done to save endangered species. A Fun Quiz was held where PORPS students nailed majority of the answers proving their potential.

LaCONES visit was an edifying experience getting to learn and comprehend the efforts put in by the research team to revive the endangered species.
