## EXTERNAL COMPETITION – LEAD (Learn Explore Apply Design)

LEAD – Science Exhibit 2022 was organised by Euro School on 11th November 2022. Some of our Pre Primary students participated in the science exhibition showcasing different experiments.

M.Nishik Babu of class UKG-D won II prize for Floating House for Flooding Areas experiment and V.Bhavish of class UKG-E won Innovative Experiment for his Acid Base Indicator experiment. The school congratulates these kids on their achievements and wish them the best for all their future endeavours.

All participants were awarded Participation certificates.

Participants List:

Individual			
S.No	**Name**	**Class/Sec**	**Experiment**
1	Advik Narayan	LKG-B	Static Electricity
2	R.Shakthi	LKG-B	Adulteration of food
3	L.Yokshith	LKG-C	5 sense organs
4	G.Sreedha	LKG-D	Windmill
5	Anika.R	UKG-C	Sink and Float
6	M.Nishik Babu	UKG-D	Floating House for Flooding Areas
7	K.Jagatvikhyat	UKG-E	Density of Water
8	V.Bhavish	UKG-E	Acid Base indicator

Group			
9	K.Srihaas	UKG-A	Water Filter
	K.Samveda	UKG-E	
10	B.Akshara	LKG-E	Sustainable living through renewable energy resources
	B.Ishaan Karthikeya	UKG-B
