The *Times NIE Colour Splash 2025*, an interschool painting competition organized in association with Jockey Juniors, was held on Saturday, 1st November 2025, at the Sultan-UI-Uloom Auditorium, Banjara Hills. The event celebrated the 40th anniversary of Times NIE and aimed to encourage creativity and artistic expression among young learners.

From our school, seven students each participated in the Junior Category (Grades 4 and 5) and the Senior Category (Grades 6 and 7). Participants used their preferred art mediums, with the topic announced on the spot. Students showcased remarkable imagination and creativity through their paintings.

The event also featured a special 90-minute expert workshop for parents, making it an engaging experience for all.

We are proud to share that **Akshara K.** from **Class VII D** secured the Third Prize in the Senior Category, bringing laurels to the school through her artistic excellence.

Overall, the competition provided a valuable platform for students to express their talent and gain enriching exposure to interschool artistic pursuits.
