

TERMS & CONDITIONS FOR AVAILING TRANSPORT

1. Availing school transport is only an optional facility.
2. Transport fee is payable in 3 slabs in 3 terms along with Tuition Fee.
3. The school employs Contractor to run the transport system and running of transport depends on his capabilities and any failure on his part may result in withdrawal of the transport. In such situation, the parents have to make their own transport arrangements.
4. The parents are requested to avail the transport only if the route suits their convenience. The routes and the stop are fixed by the school. The school has right to modify / alter/ relocate / withdraw the routes / stops from time to time.
5. Extension or diversion of the routes will not be entertained. No parent shall influence the driver to change the stop or the bus route without school's permission.
6. In the long run, the management proposes to run the transport within 10 Kms radius from the school. It is advised to the parents to not to shift their residences beyond 10 Kms.
7. Change of residence of the student and the contact number must be intimated in writing and the permission will be granted only subject to vacancy in that particular route. Changing route/stop by the student without prior written permission is not allowed.
8. Discontinuance of transport facility will be allowed during the academic year only on the grounds of change of residence to an area where the school transport facility is not available. One month's notice before the end of the term in writing (through email) is necessary in case of discontinuance of the transport.
9. Students while travelling in the school bus must maintain discipline. Any student found guilty of misconduct or causing damage will not be allowed to avail the bus facility. Misbehaviour in the buses may lead to cancellation of the transport facilities. Students will be held responsible for any damage caused by them due to negligence or otherwise, including recovery of cost of repairs towards damage.
10. Students will not be permitted to board different route bus other than the one allotted to him/her without written request of the parent.
11. Parents can now track the school buses plying with the help of the GPS devices installed in the buses.
12. Transport fee will be payable in three equal instalments along with Tuition & Term Fees. In case of fuel price increase, additional charges may have to be borne by the students. The additional charges if any will be collected along with the last instalment of Transport Fee.
13. In the event of any unforeseen circumstances, the Government announces lockdowns / closure of the institutions, school will refund the Transport Fee paid after deducting related costs claimed by the Contractor (as per his MOU) like insurances, various taxes, salaries of the bus drivers & Attenders etc.
