

10TH JULY 2019.

FIELD TRIP TO THAKUR HARI PRASAD INSTITUTE OF RESEARCH AND REHABILITATION FOR THE MENTALLY HANDICAPPED (THPI)

The field trip to THPI was organised for the Humanities students of classes XI was quite an informative and educational experience. It was a trip which made the students meet the children with Intellectual disabilities. As a part of their curriculum this field trip has provided the opportunity to learn and expose to different learning units that are catering for the needs intellectually disabled children. Mr Harish Singh, Administration In charge of the Centre interacted with the students and explained them about demographics of the institution and briefed them on mental health, schemes organised and placement procedures for the needy children and their Rehabilitation. Latter, students interacted with Ms. Vasanthi, Vocational Training In charge interacted with the students. She briefed them how the training department functions with the objectives of providing adequate support for adults with multiple disabilities to lead an independent life. The services includes assessment and vocational guidance and various skill training and vocational training programmes for the adult's with multiple disabilities to lead an independent and quality life.

Students had the wonderful opportunity to interact with students in course of understanding what special education is. Few THPI students interacted with our students and displayed their singing and dancing talents.

Students utilised this opportunity to understand the mental health profession in a very empathetic way and altogether it was a very wonderful experience for the students pursuing Humanities.
