

SANSKRIT DIWAS

Sanskrit language is believed to be originated in India around 3500 years ago. In terms of communication, reading and hearing Sanskrit term indicates perfectly or entirely done.

The main objective of celebrating Sanskrit Diwas or World Sanskrit Day on August 15, 2019 is to promote the language Sanskrit. It is declared as a classical language which is known for its scientific structure and is in high demand all over the world.

Sanskrit diwas was celebrated in our school with a special assembly on August 27, 2019. Children of classes VII & VIII performed a skit in Sanskrit on the theme 'vriksho rakshathi rakshithah' and also a song in Sanskrit. Our principal Ms.Latha Shankar emphasized on the richness of the language and how whole world is now getting interested in Sanskrit language. Many slogans, posters depicting importance of Sanskrit were displayed during the occasion.
